Sure...see attached CV and Bibliography. They are under review by Kris. TQB wants CV and Bibliography separate.
Thanks.

Subject: TQB essays for your review

Hi Tina,

Kris suggested I send you my TQB essays for your review. I would be honored if you could take a look at these and provide input. We are aiming to get these essays, along with other pertinent information, to the letter writers on Wednesday, February 12 and hope that, if possible, you can provide comments by Tuesday, February 11. These essays need a reduction of about 2500 characters before I submit them (not to exceed the 35,000 character maximum) so if you see any opportunity to reduce the text please let me know.

Thank you for your offer to help! It is very much appreciated!

Have a nice weekend!

Thanks.

Audrey
